MESSAGE FROM THE MAYOR

Thank-you for the opportunity to say hello to all who are interested in this information package.

Mayerthorpe is located at the junction of two major highway routes, these being the Canamex Trade Corridor and The Cowboy Trail. The Canamex (Highway 43) is the trade route from Mexico to Alaska and the Northwest Territories and The Cowboy Trail (Highway 22) is the western tourism trail from southern Alberta. We also have quick access (5 minutes) to Highway 18 which links to routes to Northeast Alberta and Fort McMurray. Highway 43 is a four lane Highway and travel on it brings Edmonton to a one hour pleasant jaunt.

Council encourages all interested developers and potential residents to contact us so we may work together to assist your move to our community. Council works with the Grande Alberta Economic Region and Community Futures Yellowhead East along with our own Economic Development Board in order to provide information and help in establishing new business in Town.

Please go online at www.mayerthorpe.ca and view our Virtual 360 tour for a quick view of the Town. We also will be opening new services in 2011 including a new exhibition Centre with NHL standard ice, new seniors lodge and new outdoor pool to follow soon. Upgraded water treatment plant and sewer lift station puts our infrastructure in great shape! We also offer other long term adult housing units in Town plus many doctors and a modern Health Care Center. The local RCMP detachment polices the Town and we have an excellent Fire Department to protect us all. The Town also offers Infill 2year rebates on certain residential and commercial properties. Call the Municipal Town Office at (780) 786-2416 to learn more.

If sports are part of your favourites Mayerthorpe offers a host of the usual sports activities plus we have active gymkhana and rodeo clubs. Our public library is very active and there are drama organizations in the area also.

The largest advantage about Mayerthorpe is the people. You walk about and everyone says hello and they mean hello and welcome. If you need a hand just ask and suddenly you have all the help you'll need. It's like that in a small town where people care about each other.

So move in and we'll help you build a successful business or establish Mayerthorpe as home!

Kim CONNELL
MAYOR
