

TOWN OF MAYERTHORPE BYLAW BULLETIN

Firstly, I would like to wish everyone in Mayerthorpe and surrounding area a very happy holiday season. Please drive safely when visiting with friends and family and remember not to drink and drive.

This will be a short bulletin. I only wanted to remind people to please keep their sidewalks cleared. We have had a lot of snow come down in a relatively short period of time and the novelty of shoveling is quickly wearing off for some. We have many seniors residing in Town who find it hard to get around when there is accumulation of snow and ice on the sidewalks. Also if you are able bodied and live next to someone who may be finding it difficult to remove their snow, please consider helping them out if

you have the time. Having said that, I would like to say thank you to the mystery snow removal guy who is cleaning sidewalks around town late at night with his quad. I know your neighbors appreciate it. (I believe his initials may be TJT)

Should anyone have any questions, please contact myself at 786-2416. If you have any topics that you would like me to discuss, please let me know.
