

PRESS RELEASE

March 14, 2019

Janet Jabush acclaimed as new Mayor of Mayerthorpe

Acclaimed February 28, 2019 and officially sworn in March 11, 2019, Janet Jabush became the new Mayor of Mayerthorpe.

Serving on Council in 2017-2018, Mayor Jabush and her husband Darrel have called Mayerthorpe home for the past 13 years.

When asked why she ran, Mayor Jabush said,

“Now, two of our kids and their families, including five of our grandkids call this town home too. That’s why I ran for council in 2017 and why I decided to run for Mayor. I owe it to my family and to all the other families who live, work and play in Mayerthorpe.

I’m committed to advancing the interests of our community through sustainable economic development and advocacy with regional and provincial stakeholders. Working within our region on key initiatives in support of those interests is a focus for this council and our administration.

When I’m not busy doing “Mayor Stuff”, you’ll find me with my family or, in the summer, riding my motorcycle. I work from home in the safety field and I’m a mature YouTuber.

The opportunity to serve this community as its Mayor is humbling and I will always do my best to be deserving of the trust you’ve placed in me.”

Mayor Jabush shall serve as the Chief Elected Official until the next General Election in October of 2021, unless Mayor Jabush were to resign before October of 2021.
