ADOPT A BLOCK

WHERE

ECONOMIC DEVELOPMENT

WHY IS THIS PROGRAM IMPORTANT?

We all want to live in a community that we can be proud of.

One way to do this is to keep our streets and public areas as litter-free as possible.

Mayerthorpe has seen a huge increase in the number of visitors coming to our community, especially since the official opening of the “Fallen Four Memorial Park” in July, 2008. What do we want them to think when they drive around our town?

Most of our residents take great pride in the appearance of their personal property. Other people, unfortunately, carelessly and often unthinkingly, litter our streets and public areas. It’s up to people with pride to pick up after them.

This is where you can help.
We need you!

HOW DO PEOPLE FEEL ABOUT LITTER?

People of all ages feel that litter has a negative impact on the image of the municipality. It affects tourism, attitudes of residents toward their community, as well as economic development opportunities.

WHAT CAN ONE PERSON DO TO MAKE A DIFFERENCE?

No matter who you are or who you’re with, **DON’T LITTER!** Set a good example for your family, your friends, your neighbours. Keep your own yard & boulevard neat and litter-free and be the one in your neighbourhood to.....

ADOPT A BLOCK! Go for a walk with garden gloves on and a garbage bag with you and, when you see litter, pick it up, drop it into your garbage bag, and then dispose of it in a proper receptacle.

Brag about what you do to others.
