TOWN OF MAYERTHORPE

Financial Statements

For The Year Ended December 31, 2022

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the Town of Mayerthorpe

Opinion

We have audited the financial statements of the Town of Mayerthorpe (the "Town"), which comprise the statement of financial position as at December 31, 2022, and the statements of operations and accumulated surplus, changes in net financial debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Town of Mayerthorpe as at December 31, 2022, the results of its operations and accumulated surplus, changes in its net financial debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

(continues)

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, design and perform audit procedures responsive to those risks, and
 obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The
 risk of not detecting a material misstatement resulting from fraud is higher than for one
 resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including
 the disclosures, and whether the financial statements represent the underlying transactions
 and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are the representations of the Town of Mayerthorpe's (the "Town") management prepared in accordance with Canadian public sector accounting standards. Significant aspects of the accounting policies adopted by the Town are as follows:

(a) Reporting Entity

These financial statements reflect the assets, liabilities, revenue, and expenses, and changes in equity balances and cash flows of the Town.

(b) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods and services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

(c) Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditure during the period. Where management uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

(d) Government Transfers

Government transfers are recognized in the financial statements as revenue in the period that the events giving rise to the transfer occurred providing the transfers are authorized, any eligibility criteria have been met by the Town, and reasonable estimates of the amounts can be made.

(e) Requisition of Over-Levies and Under-Levies

Over-levies and under-levies arise from the difference between the actual levy made to cover each requisition and the actual amount requisitioned. If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. In situations where the actual levy is less than the requisition amount, the under levy is accrued as a receivable and as property tax revenue. Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

(Continues)

1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(f) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the annual surplus, provides the consolidated change in net financial assets for the year.

i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

Land improvements15-50 yearsBuildings50 yearsEngineered structures5-75 yearsMachinery and equipment5-20 yearsVehicles10-20 years

Assets under construction are not amortized until the asset is available for productive use

ii) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

iii) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

(g) Cash and Cash Equivalents

Cash and cash equivalents includes bank accounts, petty cash and guaranteed investment certificates. All amounts are readily converted into known amounts of cash and are subject to an insignificant change in value.

(h) Inventories

Inventories for consumption are valued at the lower of cost and net realizable value with cost determined by the average cost method.

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping, and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks, and street lighting are recorded as capital assets under their respective function.

(i) Tax Revenue

Property taxes are recognized as revenue in the year they are levied.

Construction and borrowing costs associated with local improvement projects are recovered through annual special assessments during the period of the related borrowings. These levies are collectable from property owners for work performed by the municipality and are recognized as revenue in the year the tax is levied.

(Continues)

1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(j) Liability for Contaminated Sites

Contaminated sites are the result of a chemical, organic or radioactive material or live organism in amounts that exceed an environmental standard being introduced into soil, water or sediment. The Town recognizes a liability for remediation of contaminated sites when the following criteria have been met:

- an environmental standard exists;
- there is evidence that contamination exceeds an environmental standard;
- the Town is directly responsible or accepts responsibility for the contamination;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

Sites that are currently in productive use are only considered contaminated sites if an unexpected event results in remediation. In cases where the Town's responsibility is not determinable, a contingent liability may be disclosed.

The liability reflects the Town's best estimate, as of December 31, 2022 of the amount required to remediate non-productive sites to the current minimum standard of use prior to contamination. Where possible, provisions for remediation are based on environmental assessments completed on a site; for those sites where an assessment has not been completed, estimates of the remediation are completed using information available for the site and by extrapolating from the cost to clean up similar sites. The liability is recorded net of any estimated recoveries from third parties. When cash flows are expected to occur over extended future periods the Town will measure the liability using present value techniques.

11. SALARIES AND BENEFITS DISCLOSURE

Disclosure of salaries and benefits for municipal officials, the Chief Administrative Officer and designated officers as required by Alberta Regulation 313/2000 is as follows:

	Salary (1)	Benefits (2)	2022 <u>Total</u>	2021 <u>Total</u>
Mayor Janet Jabush	\$ 16,450) \$ 738	\$ 17,188	\$ 14,896
Councilors Anna Greenwood Sandra Morton Pat Burns Esther Sonnenberg Rebecca Wells Marc Claybrook Clay Davidson Bernie Jogola Pat Hagman	11,935 11,285 11,655 10,875 9,715 8,610	5 444 5 - 5 420 5 354	11,729 11,655 11,295 10,069	11,284 10,989 10,118 2,974 3,365 3,454 6,983 6,664 6,559
Chief Administrative Officer (former) Chief Administrative Officer (current) Designated Officers (7)	168,613 23,659 245,833	1,839	25,498	211,533 - 276,796

⁽¹⁾ Salary includes regular base pay, per diem payments and any other direct cash remuneration.

12. DEBT LIMITS

Section 276(2) of the *Municipal Government Act* requires that debt and debt limits as defined by Alberta Regulation 255/2000 for the Town be disclosed as follows:

		<u>2022</u>		<u>2021</u>
Total debt limit Total debt	\$_	5,557,193 (2,638,292)	\$_	5,228,454 (2,877,147)
Amount of total debt limit unused	\$_	2,918,901	\$_	2,351,307
Debt servicing limit Debt servicing	\$_	926,199 (297,560)	\$_	871,409 (323,446)
Amount of debt servicing limit unused	\$_	628,639	\$_	547,963

The debt limit is calculated at 1.50 times revenue of the Town (as defined in the Alberta Regulation 255/2000) and the debt service limit is calculated as 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are a conservative guideline used by Alberta Municipal Affairs to identify municipalities that could be at a financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the Town. Rather, the financial statements must be interpreted as a whole.

⁽²⁾ Benefits and allowances include the employer's share of the employee benefits and contributions made on behalf of employees including pension and health care benefits.

13. CONTINGENCIES

The Town is a member of the MUNIX Reciprocal Insurance Exchange. Under the terms of the membership, the Town could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.

14. FRANCHISE FEES

Disclosure of franchise fees under each utility franchise agreement entered into by the Town as required by Alberta Regulation 313/2000 is as follows:

	,	<u>2022</u> Budget) Note 17)		<u>2022</u> (Actual)		<u>2021</u> (Actual)
Fortis Alberta ATCO Gas	\$	95,000 67,000	\$ _	124,778 82,016	\$ 	107,024 57,618
	\$ <u></u>	162,000	\$ <u></u>	206,794	\$_	164,642

15. LOCAL AUTHORITIES PENSION PLAN

Employees of the Town participate in the Local Authorities Pension Plan (LAPP), which is covered by the *Public Sector Pension Plans Act*. LAPP is financed by employer and employee contributions and investment earnings of the LAPP Fund.

The Town is required to make current service contributions to the Plan of 8.45% (2021 - 9.39%) of pensionable earnings up to the Canada Pension Plan year's maximum pensionable earnings and 12.80% (2021 - 13.84%) for the excess. Employees of the Town are required to make current service contributions of 7.45% (2021 - 8.39%) of pensionable earnings up to the year's maximum pensionable earnings and 11.80% (2021 - 12.84%) on pensionable earnings above this amount.

Total current and past service contributions made by the Town to the LAPP in 2022 were \$72,286 (2021 - \$93,639). Total current and past service contributions made by the employees of the Town to the LAPP in 2022 were \$64,903 (2021 - \$84,906).

At December 31, 2021, the LAPP disclosed an actuarial surplus of \$11.9 billion (2020 - \$4.9 billion).

16. SEGMENTED INFORMATION

The Town provides a range of services to its residents. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in *Note 1*. For additional information see the Schedule of Segment Disclosure (*Schedule 4*).

17. BUDGET

The budget figures are provided for information purposes only, and have not been audited. The 2022 budget, prepared by the Town of Mayerthorpe, reflects all municipal activities including capital projects and restricted surplus for future use. The reconciliation below is provided to encompass these items and is provided for information purposes only.

	<u>2022</u> (Budget)
Annual surplus (per statement of operations and accumulated surplus)	\$ 1,725,258
Acquisition of tangible capital assets	(1,737,118)
Net transfers from restricted surplus	126,307
Local improvements	96,066
Debenture repayment	<u>(210,513</u>)
	\$ <u>-</u>

18. LIABILITY FOR CONTAMINATED SITES

As of December 31, 2022, the liability for contaminated sites relates to a property owned by the Town that has soil contamination.

Liability estimates are based on environmental site assessments. The Town has recognized a total liability for the remediation of contaminated sites of \$100,000 (2021 - \$100,000). The liability is reported in accounts payable and accrued liabilities (*Note 6*) in the Statement of Financial Position.

19. APPROVAL OF FINANCIAL STATEMENTS

These financial statements were approved by Council and Management.
