We are thrilled to bring to our stage the totally rad, Tony Award nominated musical that has been selling out theatres from New York to Vegas to London's West End! ROCK OF AGES captures the iconic era that was the big, bad 1980's through the story of a small-town girl, a city boy, and a rock 'n' roll romance on the Sunset Strip. Legendary rocker (and legendary lover) Stacey Jaxx takes the stage at the Strip's historic rock venue and scantily clad groupies line up to turn their fantasies into reality. But when the bar where rock reigns supreme is set to be demolished, it's up to a group of wannabe rockers and their band of friends to save the day – and the music. Featuring a score of classic rock hits, this sexy, hilarious musical comedy takes you back to the age of grit and glam. So turn up the amplifier because you're in for an epic night of big hair, big hits and outrageous fun!
