MAYERTHORPE EXHIBITION CENTRE

The former Mayerthorpe Exhibition Centre was originally constructed in 1972 by the Mayerthorpe & District Agricultural Society which eventually transitioned to the Town of Mayerthorpe.

On Tuesday, July 29, 2008, the former Centre succumbed to a tragic fire destroying more than 30 years of Mayerthorpe's history when a massive blaze ripped through the structure leveling the entire building.

On Saturday, May 28, 2011, the new Centre ribbon cutting ceremony took place. The new Centre featured a regulation rink, full commercial kitchen, walking track, enhanced seating, radiant heaters, referee change room, barrier free amenities, insulated building envelope, extra large overhead door to accommodate agricultural equipment access, lighted exterior signage and code compliant ice plant.

The Town was able to construct the new Centre without incurring any debt. Woodlands County, Lac Ste. Anne County, corporate sponsors, and members of the community donated funds towards construction of the new Centre and contribute to annual operating costs.

February 23, 2015 Town Council approved the sub-naming of the Centre as Dick Granley Arena in recognition of Mr. Granley's many years of dedicated volunteer service.
